

Tutor Zone SAT Course

Tutor Zone's SAT course is geared to prepare students for the extensive SAT test. The Tutor Zone SAT Course consists of:

- 6 hours of math where students review Geometry, Algebra 2, Number Sense and Statistics.
- 6 hours of Critical Reading/Writing where students are provided with the critical thinking skills necessary to complete the critical reading and writing sections of the test as well as the essay portion.
- Our students will take 2 full SAT Exams during the course giving them an idea of where they stand and how much they have improved.
- We give students access to take up to 10 practice SAT Exams with instant scoring.
- In addition we offer a study plan with homework assignments given online Monday-Thursday to bring home the concepts covered each week's class. Found at www.tutorzonesat.com.
